Dear Jackie,

On behalf of First Alliance International Church Youth Department, I would like to thank you and Bright Light Crossing Borders Inc. for your support of our fundraising efforts. You have been generous and gracious in donating Mother's Day gift cups.

We would like to acknowledged receipt of your donation of the Mother's Day gift cups valued at \$535.00. Your much appreciated donation was a tremendous help in sending our youths to Summer Camp 2018. May God continue to bless you and your organization as you stretch your hands out to all borders.

Blessings,

Janet Menzie-Suderam
